Posting Date – September 1, 2010

**Educator on Special Assignment –
Investing in Innovation (i3) Mathematics Content Specialist (6-12)
(Funded by USDOE Grant)**

Forsyth County School System is the recipient of an Investing in Innovation (i3) federally funded grant

[Please click here to get more information on the grant.](#)

QUALIFICATIONS:

- Extensive knowledge, experience, and expertise in curriculum development and design, including digital content and integration of technology.
- Deep understanding of assessment for learning and using data to make informed instructional decisions.
- Strong working knowledge and use of a Learning Management System.
- Willingness to be part of a team that collaborates in designing and implementing professional learning opportunities, to support the work of the schools, and to work with other departments.
- Proven ability to work with others in a cooperative, pleasant and effective manner.
- Valid Georgia Educator certificate in middle grades Math (4-8) and/or Math (6-12); Master's degree or higher preferred.
- Minimum of five successful years as an educator and teacher leader.

DUTIES AND

RESPONSIBILITIES:

Work collaboratively with supervisors, Investing in Innovation (i3) internal and external partners, school administrators, teachers, and others in facilitating and supporting the development and implementation of a transformational data system across secondary schools in order to enhance the effectiveness of classroom instruction and maximize student achievement through personalized learning.
