HR

All students will report to their Homeroom upon arrival to school.

1st period

This period is called Instructional Focus. Homeroom and Instructional Focus should be the same teacher. During Instructional Focus students will receive remediation in any course they need additional support in, as well as work on social emotional learning and goal setting activities.

2nd-5th period

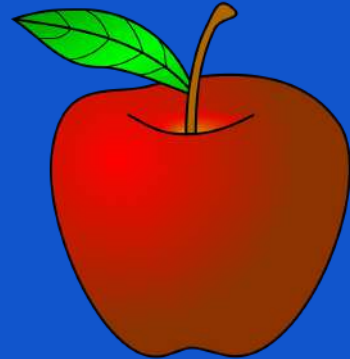

During these periods student will have their core classes (Language Arts, Math, Science, and Social Studies)

6th period

During this period students will have their Connection classes. These classes are seperated into A day and B day. Students will receive two new connection classes every 9 weeks.

Let's meet your teachers!
