Welcome to Pickens High School!

Hello Dragon Nation,

Welcome to Pickens High School! We are excited to welcome you and your family to the 2020-2021 school year. While we are entering this year under unique circumstances, my staff and I are ready to personally welcome each student. Whether your student(s) will be attending in-person, or virtually, we are here for them. Our number one focus is, and will always be on the safety, health and wellbeing of students, staff members and visitors. Months of planning and work have been completed to prepare for our students' return. The creation of safe and sanitary learning environment for all students and staff is our goal each day. I feel confident that we are well prepared for in-person education to begin here at Pickens High School. We appreciate the opportunity to serve all students. THEY are why we, as educators, exist. Our plans, actions, efforts and decisions are centered around them, their well-being and their high school experience. Thank you for being engaged and in-tune with your student's educational journey. It takes all of us working in unison to effectively support these students. Go Dragons!

We are Dragon Nation United!

The Bell Schedules are designed to direct our movements and transitions throughout the day. These are subject to change as needed.

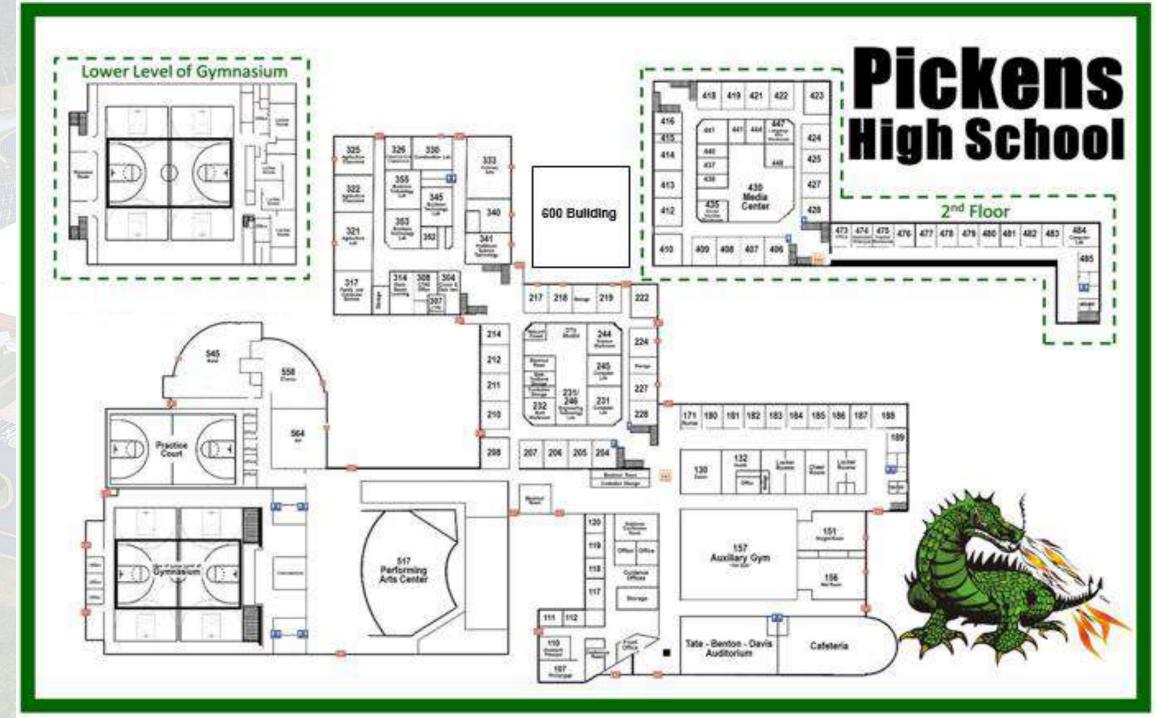

Combo Day: This Bell Schedule is utilized for Club Meeting Days, Advisement, or other special events as needed.

Lunches: Students are assigned to a lunch with their 3rd Period Class. This year, they will also be assigned to a particular location as well. This will be done to promote proper spacing/distancing.

Afternoon Release: It is necessary to stagger release times to reduce foot traffic in the hallways, and vehicle traffic throughout our campus.
