Step 9: If there is an elective course in HAC that a student does not want on their schedule, [CLICK HERE](#) to have it removed and replaced with another elective.

Step 10: If students still have question regarding their schedule or classes to choose for next year, students can make an appointment using the link below to meet with their school counselor to discuss selections.

DEADLINE: January 28, 2022

CORE RE-EVALUATION FORM

All core courses must be recommended by the student's current teacher in that subject. If students feel they have been recommended for the wrong course or if they want to take a less rigorous course (Honors instead of AP or Standard instead of Honors), the student may fill out the core re-evaluation form [CLICK HERE](#).

If students meet the progression for the course, the counselor will approve it and students should be able to see the course in HAC prior to the end of the school year.

If students do not currently meet the progression, student's request will not be reviewed until final grades have been posted and test scores return over the summer.

ACADEMY COURSES

If a student has been accepted in an Academy, students should see the course in HAC. If a student no longer wants to be in an Academy, complete [THIS FORM](#) by 2/10/22 to have the BTHS Academy course removed from the schedule. Rising 11th and 12th graders cannot apply to new academies.

PLANNING TO TAKE DUAL ENROLLMENT?

If a student plans to take Dual Enrollment with SJR next year, they should still have SEVEN BTHS courses listed, then they will complete [THIS FORM](#) to let their counselor know which SJR courses they intend to take in the 2022-2023 school year.

Once student has completed the SJR application, turned in qualifying placement test scores, and accurately completed the registration form by the SJR deadline, the BTHS course will be removed from their schedule.

For every one (1) course a student is taking physically at SJR campus, a student can reduce 2 BTHS classes (for the purpose of traveling between campuses). Students must provide their own transportation to SJR.

Bartram Trail Rising 12th Graders

PLEASE NOTE: Students must also complete the SJR application, turn in qualifying placement test scores, and accurately complete the registration form by the [SJR deadlines](#) in order to participate. Completing this form is NOT the only item students must do to take SJR courses next year.

Please Read: [Dual Enrollment FAQ](#) and [Dual Enrollment Timeline](#)

VIRTUAL CLASSES

Planning to take a virtual class next year? Please complete [THIS FORM](#) to have the BTHS course removed from HAC and the virtual lab added. Students must also request the course on FLVS or SJVS, with an August 10, 2021 start date, by June 2, 2021.

Please Note: Students may only take one virtual period on campus at BTHS due to seat availability. Students can opt to take more than one course virtually but will not have more than one virtual lab.

CO-OP (EXECUTIVE INTERNSHIP) COURSE

Students can take up to three (3) CO-OP (Executive Internship) courses during their 12th grade year. Students must maintain employment throughout the year and work at least 5 hours per week for every CO-OP course they take (example: 3 courses, 15 hours per week). Students taking this course will leave campus early (depending on how many CO-OP classes they take) and must provide their own transportation.
