Accessing the Digitally Learning Platform

Step 1: Go to WCMS homepage

Step 2: Click tab labeled WCMS Students

Accessing the Digitally Learning Platform

Step 3: Students may login using the Apex Learning Link or Clever Link

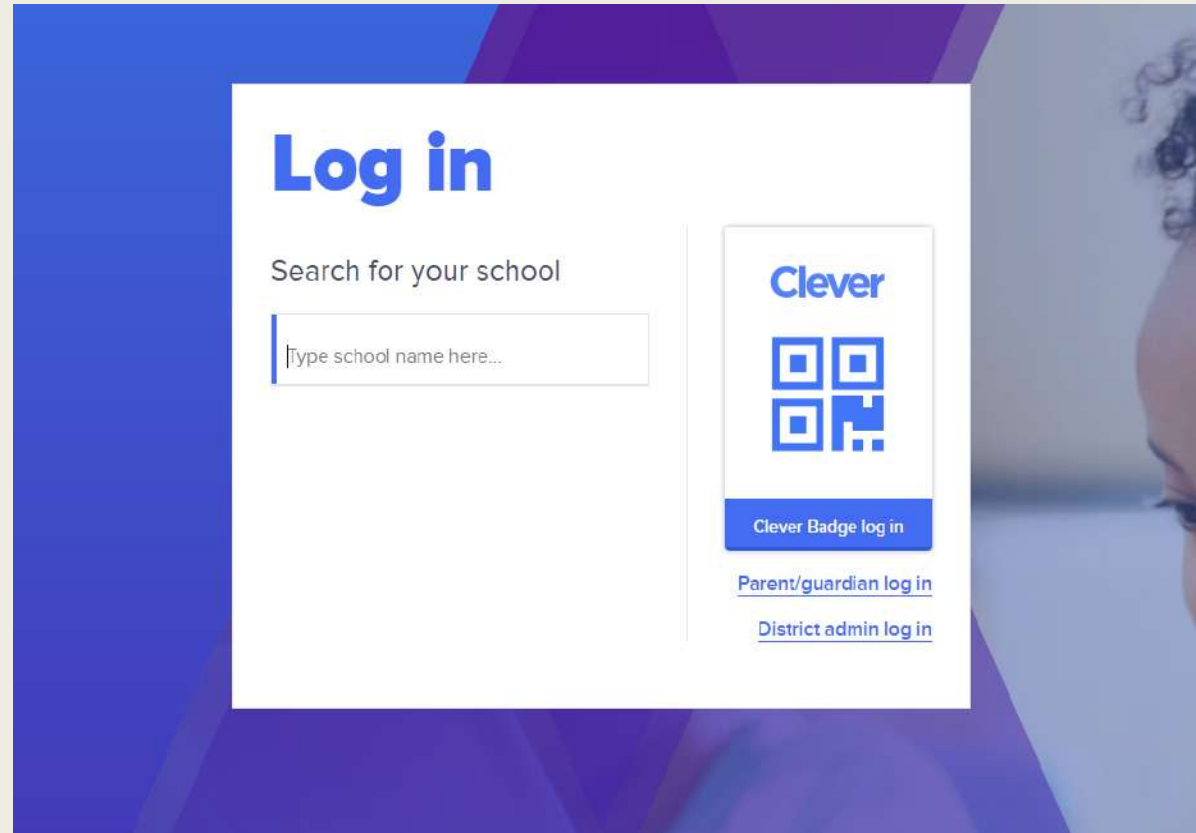

We recommend using Clever because this will allow students access to multiple instructional apps with the signal sign on access.

The screenshot shows the Worth County Middle School website. At the top left is the school's logo, a ram's head in a circle with 'WORTH COUNTY MIDDLE SCHOOL' text. To the right of the logo is the school name 'Worth County Middle School' and social media icons for Facebook and Twitter. Below the header is a navigation bar with links: 'District Website', 'WCMS Links', 'Schools', 'Parents', 'Staff', and 'WCMS Students'. The main content area is divided into two columns. The left column is titled 'Quick Links' and 'WCMS Students Links', containing a list of links: 'AAA Math', 'Apex Learning', 'Brain Pop', 'Clever', 'Code of Conduct', 'Cool Math 4 Kids', 'Destiny', 'Google Classroom Login', 'Homework Help', and 'Infinite Campus Student Portal'. The right column is titled 'WCMS Students' and features a large, colorful word cloud. The word cloud contains various terms related to the school's values and identity, including 'WCMS', 'Rams', 'Leadership', 'Responsibility', 'Academics', 'Intelligence', 'Creativity', 'Community', 'Excellence', and 'Citizenship'. Two yellow arrows point from the text on the left to the 'Apex Learning' and 'Clever' links in the 'Quick Links' section.
