# A-Alison DiLaurentis & Aria Montgomery

- Alison (Ali) is the most popular girl in school. Girls want to be her and boys want to date, she gets everything she wants, and every parent thinks she's perfect. Ali was friends with Naomi, Riley, and Kate (Hanna's soon to be stepsister), until she dumped them for Spencer, Aria, Hanna, and Emily the four Pretty Little Liars, at the Rosewood Day Charity Drive in the 6<sup>th</sup> Grade. Except it wasn't Ali who had dumped her former friends, it was Courtney, Alison's twin sister.

# C-Courtney DiLaurentis

- Courtney was Alison's identical twin sister. Courtney was also known as the "good" twin. Ali and Courtney had switched lots of times between the years, and although Ali said that Courtney was the Crazy one of them, Ali was actually the crazy twin. When Ali was friends with Naomi, Riley, and Kate, that was the real Ali, but when she ditched them for Spencer, Hanna, Aria, and Emily that was actually Courtney. That means that Spencer, Hanna, Aria, and Emily's Ali was Courtney.

Before Ali (Courtney) everybody made fun of Hanna's weight and she only had one friend, that later tried to kill Hanna and her other three friends witch were Spencer, Aria, and Emily.

# I-Identities

- The switch between Alison and Courtney had all started when they were little. Ali had become jealous of Courtney and lied to her parents and said that Courtney tried to kill her and that she was crazy, but really Alison was the crazy and tried to drown Courtney in the swimming pool. Mr. and Mrs. DiLaurentis had believed Ali and sent Courtney off to Radley, a mental hospital, then the DiLaurentis family moved to Rosewood and changed their last name from Day-DiLaurentis to DiLaurentis. Then again when Alison was in the 6<sup>th</sup> Grade, Courtney visited home for a while, because Radley had shut-down and she was transferring to a different preserve. That was Courtney's chance to get her life back. While Courtney was visiting she read Ali's diary, and that's how she mastered to be Alison. One day Spencer, Hanna, Aria, and Emily had all snuck into Ali's backyard to steal her time capsule flag, but Courtney caught them and pretended to be Ali. Then when it came upon Courtney's time to leave to go to the other preserve, it was Ali who had gone. Although Alison pleaded that she was Ali, her parents didn't believe her because Courtney was outside talking to the others. Courtney had stolen Ali's ring with an A on it, and when Ali pleaded she was who she was that made things even worse because that's what Courtney did, she pleaded for her life that she was Alison , but she wasn't
