

WBL Final Exam - SPRING

For your final exam you will type a one page reflection paper on your work based learning work experience for second semester. The first paragraph will be an introduction paragraph. Include your place of employment, the location of the employment, and your supervisor/mentor (one that you work under the most). In paragraph two list 4 ways you can “Improve” yourself (example: sales, communication techniques, organizational behavior). For each area, research and describe at least two ways you can improve in each areas (example: listening: Listen to your boss of course, but also pay close attention to your colleagues. This will yield more appreciation from boss and co-workers and build stronger relationships. The final paragraph is a conclusion. Discuss how your WBL experience has impacted your post high school goals such as training, college plans, and career choice.

Format:

At top left hand side of paper have the following:

First and Last Name

WLB Final Exam – 2nd Semester
