

## **Whit Davis Student Device Guide - Spring 2020**

### **Connecting your Computer to Wifi:**

1. Click at the bottom-right of the screen (near the clock).
2. Click below the Wi-Fi symbol where it says "Not Connected"
3. Select your Wi-Fi network. If needed, enter the passcode.
4. Once connected log-in as you normally would.

### **Responsibility:**

Students are responsible for the Chromebook that has been checked out to them and one charger. Both items will need to be returned when school is back in session.
