My name is Carly Long and I am one of the Physical Education teachers here at RCE. I have been teaching for quite some time now, but this is my fifth year of PE. I absolutely love it! I hope to teach our students many fun ways to stay active in their everyday life. I think if they develop a healthy lifestyle now, it will be much easier to maintain it as they get older. Be sure to check back for ideas you can use at home for some family fitness time!</p> <p>I will post activities there for students to complete during these weeks of digital learning. I will also post activities on my website as well for those who can't access Google Classroom. Please check under the Digital Learning Link on my site.</p> <p><b>GOOGLE CLASSROOM</b> FOR P.E.
