To:

- Kelly Ann Malave

Good Sunday afternoon Deer Park Families! I know the rain changes plans, but we for sure needed it!

- This week we have more students taking their state tests. All traditional students in 3rd, 4th and 5th grade have important days this week so please pay close attention.
 - Monday we kick off with 4th grade Fabulous Flamingoes taking their writing test
 - Tuesday writing test is the 5th grade Soaring Eagles as well as the 4th and 5th grade Key Deer
 - Wednesday our 3rd grade Wise Owls take their reading test.

We know the boys and girls are ready thanks to their own hard work as well as the teachers and we couldn't do it without the support of our families! Good luck to all students this week and remember to eat a healthy breakfast, get a good night's sleep and arrive on time for your testing days.

- Unfortunately, this week we have had 2 positive covid cases. Those classes have been quarantined and given information for online learning. Please remember as adults are getting vaccinated that children can still be susceptible. We ask that everyone stay vigilant in keeping healthy by washing hands and socially distancing. The school board still requires masks on campus at this point in time.

Thank you for your continued support and wishing everyone a lovely week at The Park and in the community!
