

Parents: Please be sure your child is writing his/her name and date on every page that you email me, even if it is from a workbook or composition book. Also, please be sure your child does the lessons within a subject area in the order listed. For math and science they only need to complete the digital **OR** book options.

Below is a table for you to use to know what needs to be submitted (graded assignments) and what is practice. Detailed directions will continue below the table.
