Assistant Principal

Greetings HCE Families!

I hope your week is off to a great start. We had so many great experiences this past week. One major event from last week was our Second and Third Grades Field day. Coach Shepherd and Coach Mecke organized an event full of fun and challenging activities! We had beautiful weather, and are so grateful for the MANY volunteers that helped us out. We could not have done it without you!

Speaking of volunteers, we are about to begin our spring testing and are in great need of proctors. To be a proctor means that you are a second pair of eyes in a testing classroom for fidelity and accountability purposes. Even if your child is not in a testing grade, it can be enlightening for a parent to see what their child will experience in a testing environment as they get older.

Our first assessment will be on March 6th, and we are still in need of some volunteers. Please access the Sign Up Genius at the link below if you can spare some time to help us out.

We have many daytime events happening at HCES! When visiting the school during the day, ANY GUEST should be an approved volunteer. Please access <https://stjohns.keepntrack.com/apply/> to apply to be an "approved volunteer."

When coming to visit, please stop by the front desk and sign in to our Keep'nTrack system. You will need to be prepared to present your ID to whomever is working at the front desk for verification. Please wear your visitor badge whenever you are in the building to alert our employees that you have clearance to be in the building.

If you are looking to check your child out early, or pick them up in the event they are ill, please be prepared to show your identification. It is not always the same person working at the front desk, and our staff has been instructed to verify authorization before releasing a student to an adult.

If a student comes to the front office before 3:15 to retrieve an item, the front office staff will call to make sure the teacher is in the room before letting the student back in the building. If the teacher is not in the room, or if it is after 3:15, that item will have to wait to be retrieved the next school day.

In the mornings before school, students are not admitted to the commons areas or classrooms, unless they have a predetermined activity such as patrols, band, etc. Students should not be in the commons areas or classrooms until 8:05 – when teacher supervision is available.
