

Accelerated 7th Grade Math

Weekly Agenda

Dates: Sept 5 – Oct 9

Materials you will need this week:

1. Composition Notebook
2. Pencil
3. Distraction Free Workspace
4. Chromebook - charged

Standards addressed: 8.EE.1 Properties of Exponents, 8.EE.3 and 8.EE.4 Scientific Notation

Agenda Overview:

Follow the agenda this week for assignments we will do during class and their names.

Remember that you have MULTIPLE attempts in Khan Academy and Quizizz. If you don't know how to do an assignment, watch the videos available in Khan Academy.

If you feel you need extra practice, Khan Academy is a great place to start. Make sure to click on 8th grade so you get the 8th grade standards.

Monday – Oct 5

8.EE.1, 8.EE.3

By the end of class, I can write a number in scientific notation.

Time (Morning	Activity
10:00-10:10	Whole group – Review the law of exponents
10:10 – 10:30	Illuminate CFA Week 3 8 th grade
10:30-10:45	Lesson (Video about a Ghost Pepper???) on Scientific Notation.
10:45-11:00	Group 1 (Last name starts with A-M) go to google classroom to take the notes in your notebook. Group 2 (Last name starts with N-Z) come to the google meet for small group work.
11:00-11:10	Take a short break but be back on time.
11:10-11:25	Group 1 (Last name starts with A-M) go to google classroom to take the notes in your notebook. Group 2 (Last name starts with N-Z) come to the google meet for small group work.
11:25-11:30	What questions do you have? There is a Khan Academy video and activity available for extra practice. (Scientific Notation is the name)

Wed – Oct 7

8.EE.1, 8.EE.3, 8.EE.4

By the end of class, I can apply the laws of exponents to multiplying and dividing scientific notation.

Time (Morning	Activity
10:00-10:15	Whole group – Review common missed problems on the Week 3 Illuminate assessment
10:15 – 10:30	Lesson on multiplying and dividing scientific notation
10:30-10:45	Group 1 (Last name starts with A-M) come to the google meet for small group work. Group 2 (Last name starts with N-Z) go to google classroom to take the notes in your notebook.
10:45-11:00	Group 1 (Last name starts with A-M) go to google classroom to take the notes in your notebook. Group 2 (Last name starts with N-Z) come to the google meet for small group work.
11:00-11:10	Take a short break but be back on time.
11:00-11:25	Do practice in Khan Academy: Multiply and Divide Scientific Notation There is a video available if you are still having problems.
11:25-11:30	What questions do you have?

Friday – Oct 9 (Half Day)

8.EE.1, 8.EE.4

By the end of class, I can add and subtract numbers in scientific notation

Time (Morning	Activity
	Review how to properly write a number in scientific notation
	Lesson on adding and subtracting scientific notation
