I retired in 2007 and began my teaching career after driving 18 wheelers across the country for 3.5 years. I joined the faculty at Henry County High School in 2010 until we moved to McDonough H.S. in 2019. It is great to be a part of the staff here at McDonough High.

My wife Petina and I have four (4) adult children, Devin, DeYonna, DiAnna and Kristine. We are also blessed to have six (6) beautiful grandchildren, D.J., Dar'ial, Anderson, Ava, Kali and Charlie Rose. I am a BIG Falcons fan and season ticket holder. And my family and I root for all of the Atlanta professional sports teams. In my spare time I enjoy spending time with family and traveling.

As the Orienteering Coach (10 years), we have qualified and participated in the last 8 State Championships, S.E. NAV CUP Championships, Navy Nationals Championships and U.S. Nationals

Championship. We have won several years in all levels of competition, exposing our Cadets to all parts of the country through travel from coast to coast. I've enjoyed Coaching and the opportunities to help mold our student's future endeavors.
