

Welcome to Mrs. Bryant's 3rd Grade Class August 2, 2021

Every Day is a Great Day to Learn Something New

I am thrilled to introduce myself as your child's new teacher to begin the exciting new school year: providing your child with the best experience possible.

This is a year of important transitions, as well as gaining new skills. I hope to make your child's learning experience a fun and exciting one, and I hope to instill a love of learning. So many things happen in Third Grade! In fact, this year will be full of important transitions. It is tremendously important to keep in mind that we all build on small successes. Each child will progress at his/her own rate, acquiring skills as he/she is developmentally ready. I am looking forward to be working with your child this year, and helping him/her to achieve his/her full potential.

Parent/Teacher Communication

I believe that a good parent-teacher relationship is necessary for maximum school success. Throughout the year I will communicate with you through emails, telephone calls, progress reports, parent-teacher conferences and Class Dojo. I encourage you to contact me if you have any questions or concerns at any time.

Maintaining each child's self-esteem and building a secure foundation for future growth will always remain a priority. Here are some ways you can help: Celebrate your child's success, no matter how small it may seem. This will keep your child enthusiastic about learning and proud of their work! Read to and with your child every day, if possible. The more your child is exposed to language, the easier it will be for him/her to incorporate new skills in reading and writing in the classroom.

I look forward to a year full of learning and fun.

We value a strong home school connection. Please be sure to join Class Dojo, following the steps below.

Message to Motivate

"I am somebody. I was somebody when I came. I'll be a better somebody when I leave. I am powerful and I am strong. I deserve the education I get here. I have things to do, people to impress and places to go."
