# Academic Concerns

**Course Concerns** should be addressed during the first quarter, BEFORE a poor grade impacts a student's semester grade/credit/GPA. Course Attendance, Completion of Assignments, Preparation for Testing and Seeking Additional Help from the Teacher are the foundation of success in all courses.

**Highly at Risk** - D/F Grades in multiple courses may need intervention. The first review by a team of educators will be a look at the student's ATTENDANCE, COMPLETION of ASSIGNMENTS, TEST SCORES, and ADDITIONAL ASSISTANCE receive. An "All Teacher" conference may be appropriate.

*Parents can set an appointment directly with an individual teacher to talk about their student's performance in a course.*

*For students highly at risk, a school counselor can coordinate an All Teacher Conference at the parent's request.*
