MUSIC ACTIVITY

Circle Up!

- Name Game – pass the soft ball /stuffed animal and say your name.
- High/Low Let's All Go

Hey, children, who's in town?
tap tap tap tap
sticks sticks sticks sticks
on floor on floor together together

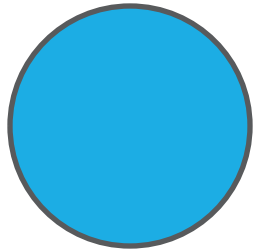

Everybody stop and look around
on floor together look one way, then the other

Say your name and when you do
floor floor together together

We will say it back to you.
pass sticks to right pick up sticks

Then four students will say their names, but each one must do a motion with their name (or tap the rhythm of their name), and the class repeats it. Then we say the chant again. The kids all wanted a chance to do a motion and absolutely loved this activity! It got the rhythm sticks in their hands and helped us learn names too!
