COMMUNICATION

As a veteran teacher with 20+ years of classroom experience, I am fortunate to have taught some of the best students in the world, and this year, I am excited to teach the class of 2018 at Luella High School. Each of the students and I will Begin with the End in Mind. As we do so, we will strive to do our best as we believe "If Better is Possible Good is Not Enough!"

I strongly encourage you, seniors, to communicate your glows and grows with me, and I welcome you, parents, to communicate with me to remain abreast of your child's success in Senior English. Email is the best means to communicate with me.
