Dear Parent/Guardian of _____:

Your child is invited to participate in our upcoming high school shadowing experience at West Forsyth High School. We are very excited about the opportunities this will provide your child as they will shadow a pre-selected high school student through three class periods, including at least one class in a high school pathway in which your child has expressed interest. This activity is part of our comprehensive middle school to high school transition activities.

With your permission your child will be scheduled for one of the several shadow days, called Wolverine Day, that we have planned with West Forsyth High School. We have several days planned in order to accommodate our population attending West.

The plan is for a bus of about 35 students to leave Liberty by 9:15am on their respective date and meet the high school peers in the cafeteria for a briefing prior to the beginning of the shadowing experience. Your child will follow their designated peer for three periods, including lunch. We will return to Liberty around 2:00pm.

Students can bring their own lunch or purchase a lunch at the high school using their normal lunch account (high school lunch prices are slightly higher than middle school prices).

Our expectations for your child while participating in this shadowing experience will be to:

- Adhere to all aspects of the Forsyth County Schools "Code of Conduct" and to respectfully represent Liberty Middle School the entire time they are on the high school's campus
- Appropriately engage and participate in the shadowing experience and stay with their designated peer throughout the entire time they are on the high school's campus

Please indicate your permission for your child to participate in the shadowing experience described within this letter by filling out the bottom portion and returning it to Lori Porter. Once you have sent in this permission form, your child will be assigned to one of the planned dates for Wolverine Day. Our tentative dates are as follows: Tuesday, December 5th, Tuesday, January 16th, Tuesday, February 6th, and Tuesday, February 13th if needed. We will communicate with you and your child, the date your child will be attending Wolverine Day. If you have any questions, please contact Lori Porter at 770-781-4889 ext. 290306

Sincerely,

Lori Porter
Liberty Middle School Counselor

Permission slips must be returned by Wednesday, November 8th.
