Graffiti Rock is a school fundraiser. Funds will be used to help pay for school programs and/or initiatives.

## Helpful Tips:

There are **TWO** sides to paint on the rock. You will need approximately a quart of paint to spread with a roller/brush or 2-3 cans of spray paint **plus** the paint used for your design. You will likely need two cans of spray paint for the background. You can either use a stencil or free-hand your design. It will likely take at least an hour to complete the project. A bucket of water and rags are helpful to clean brushes and hands. Please do not use paint thinner on campus. HAVE FUN AND BE CREATIVE!!!
