

WHY GERMAN IS FOR YOU!

1. **German is not as hard as you think.** *German is similar to English.* German and English are both Germanic languages. They both started out as basically the same language. They share many of the same words, word origins, and grammar characteristics. For example, can you translate these German words: Hand, Maus, Haus, Sofa, Ball, Gras, Ring, Glas, Schule, Vater?
2. **German is the most widely spoken language in Europe.**
3. **Germany has the 3rd largest economy in the world.** Germany has the highest paid workers in the world. More Americans have lived and worked in Germany than in any other foreign country since 1945. Germany and the USA invest \$40 billion in each other's businesses per year. **Many companies identify German as the second language they would like their employees to know.**
4. **Knowing German can help you get a job.**
