

Every student needs a skill. *Your tomorrow starts here.*

Wilco Area Career Center prepares students to enter the labor market with beginning occupational skills while helping to meet the increasing needs of area commerce and industry for skilled personnel. **Wilco** also prepares students for advanced occupational training in two and four year colleges, business and technical/trade schools.

Wilco is the result of a cooperative agreement among the high schools of Bolingbrook, Lemont, Plainfield Central, Plainfield, South, Plainfield North, Plainfield East, Reed-Custer, Romeoville, and Wilmington. Students from Lockport, Coal City and Morris attend selected programs. For more information on **Wilco's** programs, please visit www.wilco.k12.il.us

2023-2024 Courses

Mission

The mission of the Wilco Area Career Center is to develop skill sets that provide a pathway to college and career readiness.

What does it cost?

Your school district offers these elective programs as they do all others, at no tuition cost to you. Some lab fees may be required to cover uniforms and tools that you may want to keep, or for other personal materials or equipment. However, Nail Technology, Barbering and Cosmetology may require tuition, kit, lab, book, and uniform fees that vary by location. Please contact **Wilco** for current program costs.

What about credits?

Wilco offers elective high school credit which varies from District to District. The individual schools determine the credits. All credits accumulate toward graduation requirements and may be used at some colleges to meet entrance requirements. Dual Credit courses can gain you Joliet Junior College, College of DuPage, Moraine Valley or Lewis University credits and/or advanced placement. To determine how your credits will be affected, please consult your counselor.

How do I get there?

Your school will provide bus transportation to and from **Wilco**.

ACE, AIM, AVIATION, Barbering, Cosmetology, Heavy Equipment Technology, and Nail Technology students are responsible for their own transportation to and from their programs, CNA students provide for their own transportation to clinicals.
