

WILD Weekend 2016

What?

Project WILD Weekend Environmental Training at Energy and Marine Center, New Port Richey

Who is invited?

Teachers of all subject areas and grade levels & administrators - **Limited to the first 40 applicants!**

Why?

- To include relevant environmental issues in our classroom curricula that support standards based instruction. *"Excellent, inspiring, applicable in the classroom"*
- To integrate environmental concepts into all subject areas. Bring your entire team! *"...sharing, working, and learning with a great group of people... a great experience!"*
- To be inspired and rejuvenated while learning how to use the local environment as our classroom. *"Great weekend, recharged!"*

When? October 21-22 , 2016

- ❖ Check-in Friday, October 21 between 4:30 and 5:30 pm at EMC cafeteria
- ❖ Depart Saturday, October 22, 10:00 pm

Cost: \$35 per person. Registration Fee includes:

- Lodging: Tent site or Classroom sleep-in
- Meals: Friday dinner; Saturday breakfast, lunch and dinner
- Resources: Groundwater Simulator and much more!

Facilities:

There is a site adjacent to Werner Boyce Salt Springs State Park for Tent /Small RV Set up. There is a classroom with restroom and shower in building.

Activities and Events: This year's theme is "Cotee Investigation Agents".

Activities and presentations will focus on the importance and challenges of upland impacts on riverine and estuarine systems and the critical need to create meaningful experiences with coastal preservation and a connection to nature with our students. Activities will include:

- Classroom and Outdoor Activities that can be Adapted for all Grade Levels
- Participants will be engaged in a study to discover the source of pollution on the Cotee River..
- Studies will include the soil and composting, coastal impact and conservation, benthic organisms,
- Exploring the marine environment with coastal cleanup at Durney Key, Evening Programs, Town Hall Meeting and Campfire Circle and more.
- BRING YOUR SNORKEL GEAR!! Masks, snorkel and fins
