**Info for AP and Dual Enrollment Students: Students enrolled in AP US History or Dual Enrollment US History cannot complete the US History EOC assessment. Students in AP American Lit or Dual Enrollment American Lit must take the EOC. Students in AP Biology or Dual Enrollment Biology will only take the EOC if they have NOT previously completed the core high school Biology course.

Winter 2021 Georgia Milestones Assessments

Students enrolled in **Algebra I, American Literature & Composition, Biology, and U.S. History** courses will report for testing on the days shown above. Both **face-to-face students and virtual-only students** are required to complete the EOC if they are enrolled in an EOC-affiliated course, and the EOC is required by state law to count as **20% of the final course average**.

Reporting to Campus for Testing

Our virtual students must report to campus to take an EOC as the state does not offer an online version that can be administered at home. **Parents/Guardians of virtual students are responsible for providing transportation to and from the student’s districted school for testing.**

Virtual students with IEPs, 504s, or TPCs that provide extended time testing accommodations are to report for testing at 8:30am. All other virtual students are to report for testing at 11:45am. Students should be dropped-off at the front of the school and should report directly to the front office to present themselves for testing. Front office personnel will direct students to their testing rooms. Pick-up for virtual students will also be at the front of the school. When released from testing, students will call their ride and will wait for pick-up in the media center.

If East Paulding is not your home school, contact your virtual teacher or your home school for the correct information.
