Winter 2021 Georgia Milestones Assessments

Students enrolled in **Algebra I**, **American Literature & Composition**, **Biology**, and **U.S. History** courses will report for testing on the days shown above. Both **face-to-face students** and **virtual-only students** are required to complete the EOC if they are enrolled in an EOC-affiliated course, and the EOC is required by state law to count as **20% of the final course average**.

Reporting to Campus for Testing

Our virtual students must report to campus to take an EOC as the state does not offer an online version that can be administered at home. **Parents/Guardians of virtual students are responsible for providing transportation to and from the student's districted school for testing.**

Virtual students reporting for testing should be dropped off by 8:15 am in the car line area. Students will come to the front office and be directed to the appropriate testing room. When the test is completed, students should be picked back up in the car line area.

If North Paulding is not your home school, contact your virtual teacher or your home school for the correct information.
