A LITTLE ABOUT ME:

I am so excited to be your teacher this year! I graduated from Florida State University (Go Noles!) with a degree in K-6 Education. This will be my tenth year teaching and my first year at Pacetti Bay!

FUN FACTS:

I am a proud aunt to one niece and three nephews!

I love to run. I have a goal to run a race in every state.

My favorite drinks are Chocolate Milk and Cherry Coke.

Some places you may find me on the weekends are Target, Chick-Fil-A, or outside in the sunshine!

WHAT WE'RE LEARNING:

We will cover a wide range this year in the different areas of science- Earth Science, Life Science, Physical Science, and Nature of Sciences. Some of the topics you can look forward to learning about are:

- Earth Systems and patterns
- Weathering and erosion
- Cells
- Diversity of organisms and Organization of living things
- Energy transfer and transformations
- Forces

TECHNOLOGY:

It is very important students have access to technology--both in school and distance learning. Students are welcome to bring devices to school to use for in class learning. If technology is a concern at home, please let me know.

OTHER INFO:

For the first week of school, make sure you have the following supplies for science class:

- Composition book
- Glue stick
- Scissors
- Pencils
- Colored pencils or markers
