To activate or log-in to your YouScience account:

    1. Log in to Infinite Campus https://campus.pickens.k12.ga.us/campus/pickens.jsp

        Username (lunch number)

        Password (first name initial, last name initial, six digit DOB; lower case, no spaces)

            <u>*Example*</u>

            Student: Elisha Wilson

            Username: 12345 (lunch #)

            Password: ew032178

            ***If you have changed your password to something other than the format listed above and cannot remember your password to get logged in, then you will need to email candydiprima@pickenscountyschools.org to have your password reset.

    2. Click on the ***More*** tab found on left side of screen

    3. Click on the ***SLDS Portal*** link found on the right side of screen

    4. Click ***My Career Plan***

    5. Click the ***Go to YouScience*** tab *(***Disable popup blocker if needed)*

    For first time users:

        a. Fill in your personal information to create your You Science account.

            ***Use your school email address as your primary email address and your personal email address as your secondary email address

        b. Close the Dual Enrollment Window. Dual enrollment information will be explored at a later date

        c. Click ***GET STARTED*** to begin the brain games assessment. This is the first step in learning more about your aptitude and interests.
