## Directions:

- On your turn:
- Pick 2 number cards and make a two-digit number.
- o Write your number on any spot on the board. The numbers need to go from least to greatest.

- You may not move a number once it is on the board. If your number cannot be placed on the game board you must say "pass" and you get a point.
- points at the end of the game wins. Take turns with your partner until all the numbers on the board are filled. The partner with the fewest
