

Get Your Numbers in Order Stage 3 and 4 Gameboard

Directions:

- On your turn:
 - Pick a fraction card.
 - Write your number on any spot on the board. The numbers need to go from least to greatest. If your number is equivalent to a number already on the board, you can write it in the same box.
 - You may not move a number once it is on the board. If your number cannot be placed on the game board you must keep the card, say "pass," and you get a point.
- Take turns with your partner until all the numbers on the board are filled. The partner with the fewest points at the end of the game wins.
