## Directions:

- On your turn:
- Pick 3 number cards and make a decimal number less than 1.
- Write your number on any spot on the board. The numbers need to go from least to greatest.
- You may not move a number once it is on the board. If your number cannot be placed on the game board you must say "pass" and you get a point.
- the game wins. Take turns with your partner until all the numbers on the board are filled. The partner with the fewest points at the end of
