

Lesson 15: Create Line Plots

Cool Down: Hand Spans of Mai's Group

1. Mai made these statements about the lengths of hand spans for students in her group.

- Four students have a hand span of 18 cm.
- Two students have a hand span of 16 cm.
- Two students have a hand span of 19 cm.
- One student has a hand span of 20 cm.

Complete the line plot so it matches Mai's data.
