

## Assessment : Section A Checkpoint

### Teacher Instructions

Give students access to base-ten blocks.

### Problem 1

#### Goals Assessed

- Add and subtract numbers within 1,000 without composition or decomposition, and use strategies based on the relationship between addition and subtraction and the properties of operations.

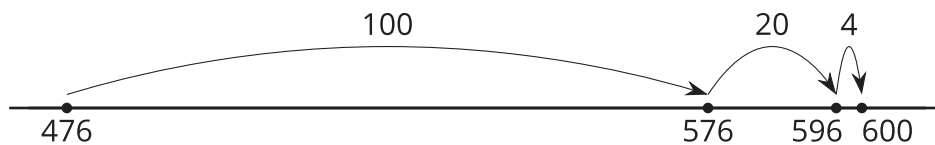

### Statement

Find the value of  $600 - 476$ . Use the number line if it is helpful.

### Solution

124. Sample response

### Problem 2

#### Goals Assessed

- Add and subtract numbers within 1,000 without composition or decomposition, and use strategies based on the relationship between addition and subtraction and the properties of operations.

### Statement

Find the value of each expression. Show your thinking.

1.  $273 + 122$
2.  $798 - 238$

**Solution**

1. 395. Sample response:  $200 + 100 = 300$ ,  $70 + 20 = 90$ ,  $3 + 2 = 5$ ,  $300 + 90 + 5 = 395$
2. 560. Sample response:  $700 - 200 = 500$ ,  $90 - 30 = 60$ ,  $8 - 8 = 0$ ,  $500 + 60 = 560$
