

# Lesson 8: Subtraction Algorithms (Part 1)

## Cool Down: Connect a Diagram and an Algorithm

Explain how the diagram matches the algorithm.

$$\begin{array}{r}
 \phantom{300} + 70 + 12 \\
 300 + \cancel{80} + \cancel{2} \\
 - 200 + 60 + 7 \\
 \hline
 100 + 10 + 5
 \end{array}$$
