

Info Gap: Whole Bunch of Angles

Info Gap: A Whole Bunch of Angles
Problem Card 1

Three lines and a ray cross and make a bunch of angles.

1. What is the size of angle p ?
2. Which angle is greater: p or d ?

Info Gap: A Whole Bunch of Angles
Data Card 1

- Angle u is 128° .
- Angle d is the same size as angle a .
- Angle c is 143° .

Info Gap: A Whole Bunch of Angles
Problem Card 2

Three lines and a ray cross and make a bunch of angles.

1. What is the size of angle q ?
2. Which angle is greater: t or e ?

Info Gap: A Whole Bunch of Angles
Data Card 2

- Angle t is smaller than a right angle.
- Angle s is 79° .
- Angle a is 37° .
