

# Lesson 3: Multiply Unit Fractions

## Cool Down: Multiplication Equations

- Write a multiplication equation to represent the shaded piece in the figure. Explain or show your reasoning.

- Complete each equation. Draw a diagram if it helps you.

a.  $\frac{1}{5} \times \frac{1}{4} = \underline{\hspace{2cm}}$

b.  $\frac{1}{2} \times \frac{1}{6} = \underline{\hspace{2cm}}$
