

Lesson 10: Interpret Relationships

Cool Down: Jada's and Priya's Patterns

1. Jada and Priya are creating rules for patterns. Follow each rule to complete the patterns.

Jada's rule: start with 0 and add 3.

--	--	--	--	--	--	--	--	--	--

Priya's rule: start with 0 and add 4.

--	--	--	--	--	--	--	--	--	--

2. Kiran says that when Jada's number is 45, Priya's corresponding number will be 90. Do you agree? Why or why not?
