

Lesson 9: Generate Patterns

Cool Down: Patterns and Relationships

- List the first 10 numbers for these 2 patterns.

Jada's rule: Start with 0 and keep adding 5.

--	--	--	--	--	--	--	--	--	--

Priya's rule: Start with 0 and keep adding 10.

--	--	--	--	--	--	--	--	--	--

- What number will be in Priya's pattern when Jada's pattern has 100?
- What relationship do you notice between corresponding numbers in the two patterns?
