Scheduling Information 2024-2025

Moving up to Smithtown High School East
Class of 2028

Mrs. Harnett, Mrs. McGlone, and Mrs. MacKenzie

Terms You Should Know :

Regents Courses (R): These classes serve the needs of the great majority of students. Some Regents courses will have a Regents Examination at the conclusion of the course. Students must obtain a minimum grade of a 'D' in the class to earn a credit for the course. A minimum grade of 65 is needed to pass the Regents exams. 1 credit course.

Regents Extended Course (RE): RE courses are offered for 9th graders in Math, English and Global History. They meet 7.5 class periods per week (once every day and twice every other day). This additional time allows students more time to study the concepts at a slower pace. RE courses follow the same curriculum as Algebra I, English 9 and Global History I. 1 credit course.

Honors Courses (H): Honors classes are designed for highly motivated students who have demonstrated high academic ability and can accept the demands of a particular rigorous course of study.

Advanced Placement Courses (AP): Advanced Placement courses are designed for highly motivated students who have demonstrated high academic ability and can accept the demands of a particular rigorous course of study. Please note that the students enrolled in AP courses will take an AP examination near the completion of the course. This test is provided by the College Board for a fee determined by the College Board.

Challenge by Choice: Challenge by Choice is an initiative developed to assist our students in selecting courses that will help them to reach their highest potential. Students interested in challenging their departmental recommendation by enrolling in a related honors classes as a 9th grader and have taken the prerequisite courses, can make their selections during the scheduling process.

Prerequisite and Co-Requisite: Each course in the program guide includes prerequisites. Students must pass and receive course credit for the course(s) listed as prerequisites to take the desired course. Courses listed as co-requisites must be taken concurrently with the desired course if not previously completed.

New York State Graduation Requirements

Courses	Regents Diploma	Advanced Regents Diploma
