Core & Encore Team Updates **

Team Lafayette (6th) (Twitter [@NMSLafayette](#) Team Leader [Mrs. Hackman](#)) [See our welcome letter on the NMS Website!](#) **Congratulations to our Pride of the Lions winners for the month Aidan Fraboni and Brenette Blessings Mborwh!** This extended weekend is an excellent opportunity to talk with the students to discuss grades, check on all assignments, and be sure that all materials are filled. The kids have been doing a lot of work the past few weeks, and they have a lot to be proud of! Lastly, best of luck to all of our Team Lafayette students that have been putting in SO MUCH WORK to prepare for the Music Man this upcoming weekend.

Team Lehigh (6th) (Twitter [@NMSTeamLehigh](#)/ Facebook [@NitschmannTeamLehigh](#) Team Leader [Mrs. Oliver](#)) [See our welcome letter on the NMS Website!](#) **This past week we had our monthly team celebration. We honored our Pride of the Lions, our decent human beings as well as our February birthdays. We also had 4 new students over the past month. We would like to welcome Luis F. Jayden M, Leanda K, and Angel C. to Teach Lehigh.** The mid-quarter is coming at the end of this week. Check your grade reports to be sure all your grades are in good standing. Look for missing assignments and/or assignments that can be remediated and get working on them. **Finally, please make sure your child has a calculator for math class.** The TI-30x is probably the best buy as it is the cheapest of the calculators that are versatile enough to last throughout middle school.

Team Moravian (6th) - (Twitter [@NMSTeamMoravian](#)/Facebook [@NMSTeamMoravian](#) Team Leader [Mrs. Roufakis](#)) [See our welcome letter on the NMS Website!](#) Congratulations to Grace and Ahmed, our January Pride of the Lions. We are proud of you! Keep up the great work. **PLEASE make sure your child has a calculator for math. It will make their life much easier and it is a tool they will use through middle and high school.** The TI-30X is the easiest one to use. As always, continue to check grades/assignments on Schoology. We are always available for extra help, if needed. Sniffle season has begun. If you would like to send tissue donations in, it would be greatly appreciated. Also, please make sure your child has a supply of pencils and other everyday items. Many students are coming unprepared without supplies.

Team Kutztown (7th)(Twitter [@TeamKutztown](#)) - **Science (Mr. Pearson)** - This week we will be doing a special activity that focuses on the most common elements found in the human body and students will continue learning about the chemical compounds that compose living things such as carbohydrates, lipids, proteins, nucleic acids, and water. **English (Mrs. Gómez)** - Please continue to read everyday, **Novel Overview Form #4 will be due this Wednesday, February 16, 2022.** We will be having a final exam for the novel, *We Beat the Streets* on Monday. Students seemed to enjoy reading the non-fiction novel about the three doctors from Newark. **English (Mr. Falteich)** This is a **BIG WEEK in English class!** Students will complete and present their **3-5 minute PERSUASIVE SPEECHES** in class. Parents can help by being a practice audience at home. The speech rubric evaluates 2 specific parts of public speaking - the preparation/research component and the speaking/delivery component. Good luck to all students who will be presenting their speeches this week! **Social Studies (Mr. Danyi)** - We will begin Unit 6 on Northern Africa and Southwest Asia. **Math (Mrs. Evancho)** - Periods 2,3,6 and 9 will take the Unit 4 test on Friday. Period 8 will continue working on solving and graphing inequalities.

Team Penn State (7th) (Twitter [@NMSPennState](#)/Facebook [@NMSTeamPennState](#)/ Instagram [pennstatenms](#) Team Leader [Mrs. Getz](#)) **Mrs. Markovic (social studies)** - We will begin Unit 6 on Northern Africa and Southwest Asia. **Mr.**

Downey (ELA) -The "Speech" assignment is due on Tuesday. Students had 3 class periods to work on the assignment. Your child was writing a speech as one of the doctors from the book. The speech should have a clear theme that is supported with stories from the book. **Mrs. Getz (ELA)** - Students will learn about connotation and denotation with a sports team activity. Later in the week, we will review the possessive noun rules, and begin reading about Harriet Tubman. **Mrs. Lafey (Math)** - Periods 3,6 and 9 are finishing up a unit about algebraic expressions and have a unit test on Friday. Attention to detail is extremely important in this unit, so students are being required to write their work down to keep track of the processes. Periods 2 and 8 are continuing to solve inequalities. **Mr. Khalife (Science)** - This week will be all about types of exercise and measuring pulse rates. At the end of the week, we will start the formal lab report process.
