RIVERVIEW SCHOOL HANDBOOK:

Dear Riverview Parents and Guardians,

We want your child to be successful and happy at school. We believe you are the most important people in your children's lives and, as such, have a major role in their education. Your continual interest and support of your child's progress and success is vital. We would like to partner with you in your child's learning.

We hope to create an environment where courtesy, kindness, and respectful behavior prevail. We want your child to understand the school-wide and classroom Student Expectations.

We believe that communication between parents, students and teachers is critical. If problems arise we will work with you to find solutions.

If you have questions or concerns, please contact your child's teacher first and then our principal, Mrs. Heintzelman, if problems are not resolved. We look forward to working with you and your child.

Sincerely,

Riverview Staff
