Superintendent of Schools

June 2, 2023

Dear Parents/Guardians:

As we continue to prepare for the close of the 2022-2023 school year, we wanted to provide you with some important end of the year information. As you are likely already aware, the last day of classes for John H. Glenn High School students is on Friday, June 9. Final exams and Regents exams will begin on Monday, June 12. The exam and bus schedules are linked below. These schedules are also posted on the JGHS website, in each homeroom and outside of the Main Office. As in previous years, the building will be cleared and secured after the close of school on June 9. Exam security procedures include turning in all backpacks and electronic devices to our security personnel the day of each exam. Students are not permitted to have their cell phones and/or Smart watches in the testing location as this could result in their test being invalidated. There will be no cafeteria service during testing. Students that have multiple tests on the same day may bring a bagged lunch and eat it in the designated locations.

We thank you in advance for your continued support as we work together to ensure that all of our students are well prepared for success while finishing the school year and completing their exams. Report cards will be posted on the Parent Portal the week after graduation. If a student fails a course that is required for graduation, they will be recommended for summer school. The school counselor will notify the student and their family as soon as possible if this is the recommendation. The full details for summer school, such as dates, location and cost, will be posted on the JGHS website as soon as this information becomes available.

Lastly, please do not hesitate to contact us at the high school at (631) 266-5410 should you have any questions pertaining to the items in this letter, or if there is anything else that we can assist you with.

Sincerely,

Corey McNamara
Principal

Michael Baio
Assistant Principal

Trish Sihksnel
Assistant Principal
