IntroductionBeneficiary Selection Form for Refund of Accumulated Deductions (If Member Dies Before Retirement)

Pursuant to Massachusetts General Laws, Chapter 32, Section 11(2)(c)

Form Last Revised: February, 2020

The Beneficiary Selection Form for Refund of Accumulated Deductions allows a member to select a beneficiary or beneficiaries to receive payment of accumulated deductions and other payments due a member if the member dies before retirement, as described at Massachusetts General Laws, Chapter 32, Section 11(2)(c).

The following needs to be kept in mind:

- This form must be filed with the retirement board.
- If you have designated an eligible beneficiary who is alive at the time of your death on the *Beneficiary Selection Form for Option D*, then the money in your annuity account will not be disbursed to anyone in a one-time lump-sum payment, even if you have designated them on this form.
- Any person or entity may be designated as your Refund of Accumulated Deductions beneficiary under Section 11(2)(c). You may designate multiple beneficiaries and must indicate the percentage of the annuity account that you wish each beneficiary to receive. The percentages must total 100%.
- Your selection of a beneficiary on this form also may be superseded by an eligible spouse under the provisions of Option D.
- If your personal situation changes (e.g. divorce, a domestic relations order goes into effect, your beneficiary dies), you should file a new form with your retirement board.
- If you file a new Section 11(2)(c) form with your retirement board, it will supersede any and all prior Section 11(2)(c) forms filed previously by you.
- When you sign this form, it should be witnessed by a disinterested party.
- This form becomes void upon your retirement.
