Dear Residents,

On behalf of the Board of Education, I welcome you to the 2024-2025 school year. A new school year is an invigorating time! It brings opportunities that continue to prioritize our children and focus on serving our district mission: "To educate, inspire and empower all students to pursue their aspirations and contribute as responsible members of society."

We proudly provide our elementary students with modest class sizes and an educational experience that focuses on the whole child. Our secondary students will continue to enjoy a variety of robust course offerings as we advance the Profile of a Graduate. And all our students can continue to participate in a wide variety of extracurricular offerings.

From the elementary to the high school level, events are held throughout the year that celebrate our talented students' successes and community spirit. I encourage all community members to attend and to use the 2024-2025 School District Calendar Guide and Directory as well as our district website (northport.k12.ny.us) as valuable resources in the coming months.

We continue to welcome our new superintendent of schools, Dr. David Moyer, along with Mr. Anthony Davidson, assistant superintendent of human resources, and Mr. David Leis, director of technology. They bring fresh and innovative perspectives that will serve our students well as they continue their educational journey.

The Board thanks you for your support as we focus on moving forward in 2024-2025. We also welcome your attendance at our Board of Education meetings. The Board typically meets at 7 p.m. on the first and third Thursday of each month at the William J. Brosnan School. The Board's agenda and attachments can be found on the district's website, posted at least a day in advance of our meeting. In addition, and new for this year, the district will email meeting announcements with links to Zoom meetings, agendas and attachments.

In closing, the Board extends its best wishes to our students, families, residents and staff for another enriching school year where our children come first. Go Tigers!

Warmest regards,
Carol Taylor, M.Ed.
President

Board Meeting Guidelines

1. The Board of Education bears the responsibility of setting policy for the school district. The Board recognizes the importance of conducting the business of the District in an orderly and efficient manner and will, therefore, require reasonable controls to regulate public representations to the Board.
2. Board of Education meetings are scheduled to consider and act upon specific items of business. An agenda is made available to the public three days prior to the scheduled meeting on the District's website.
3. Communications to the Board of Education requiring Board action shall be placed on the agenda of the next regular meeting which occurs at least five business days following the receipt of the communication.
4. The Board of Education wishes to provide an avenue for citizens to express their interests and concerns. The Board has set aside time when residents may address the Board. Eligible speakers may address any item on the agenda at the time the item is being discussed. The time allotted for individual speakers is five minutes.
5. Questions should be directed to the President of the Board. Those requiring review of policies or information not immediately available to the Board will be referred for study and replied to at a future date.
6. Official minutes are posted on the District's website following Board approval.

NORTHPORT-EAST NORTHPORT SCHOOLS

Vision:

Excellence in all areas without exception.

Mission:

Educate, inspire and empower all students to pursue their aspirations and contribute as responsible members of society.

Core values & beliefs:

- Students are our first priority.
- Everyone can learn and grow.
- Students, families, staff and community are essential partners.
- We collaborate in a spirit of trust to make thoughtful and informed decisions.
- We value creativity and innovation.
- We challenge and support the whole child.
- We embrace the uniqueness of every student.
- We treat everyone with dignity, empathy and respect.
- We provide a safe, secure and supportive environment.
- We use district resources effectively and responsibly.

District at a Glance

Situated on the north shore of Long Island in western Suffolk County, the Northport-East Northport School District is a dynamic, active community boasting a pleasant blending of quiet suburban living with easy availability to New York City.

Educational offerings in the schools are broad in scope. A basic education program is offered at all levels, and augmenting it is a wide range of elective programs to meet the interests, abilities, needs and career goals of district pupils. Special services are provided by district staff and the Board of Cooperative Educational Services (BOCES). Northport High School is the only high school in the nation to offer an International Baccalaureate program, two National Academy Programs (Finance and Information Technology), more than 20 AP courses, a science research program and a state model law program.

Pupils perform well above the norm on state and national examinations, and graduating seniors receive a large number of scholarships and awards. Over 95% of high school graduates continue their education. Our schools have won numerous state and national awards, including "Blue Ribbon" status.

District Website

<http://web.northport.k12.ny.us>

BOARD OF EDUCATION DOCUMENTS ONLINE

The Board of Education is utilizing BoardDocs, a paperless, web-based board document solution, to provide an ongoing account of the activities and actions of the Board of Education.

In BoardDocs, you can view Board of Education agendas and minutes, including backup documentation (e.g., communications, policies in review, memos from District administrators).

Use the search tab to find all related documents, agenda items and minutes regarding a specific topic.

Please visit our BoardDocs site at:

<http://www.boarddocs.com/ny/nens/Board.nsf/Public> or through the link on the Board of Education page.

Registration of New Students

New residents may register school-age children by making an appointment with Central Registration at (631) 262-6660. Kindergarten registration is held during the last week in January and the first week in February. This early registration enables the schools to plan orientation sessions for the incoming kindergarten class. Registration forms and additional information is available online at http://web.northport.k12.ny.us/district/student_registration.

Directory Information (Title 45)

Some information about students is considered directory information and may be released by the district without prior consent of the parents. This includes names, addresses, telephone numbers, names of parents, height, weight, grade, major field of study, participation in recognized school activities, extracurricular activities, sports programs, academic honors, achievements, awards, scholarships and similar information, including pictures or photographs. Parents who do not desire release or publication of this information must make a specific request, in writing, to the Superintendent of Schools by October 16. Failure to make such a request will be deemed implied consent.

Child Find

Consistent with Part 200 of the Commissioner's Regulations, please notify the Office of Special Education (631-262-6616) if you have a child, 0-21 years of age, with a disability who may require special education services.

Code of Conduct

The Board of Education has adopted a Code of Conduct Policy, Number 5131, which establishes clear rules and regulations for appropriate behavior on school grounds, both for students and for all visitors. The Code has been developed to keep our schools safe for all.

Students

For students, the essence of the policy is the following statement in the Code, “The Board of Education expects all students to conduct themselves in an appropriate and civil manner, with proper regard for the rights and welfare of other students, district personnel and other members of the school community, and for the care of school facilities and equipment.” The Code further states that the students may be subject to disciplinary action when they engage in conduct which is disorderly, insubordinate, disruptive, violent, or endangers the safety of others. Students may also be subject to disciplinary action for inappropriate behavior on a school bus or for any type of academic misconduct. Students who violate the Code are subject to a wide range of school detention, removal from transportation, removal from athletic participation, removal from extracurricular or social activities, removal from other privileges, in-school alternate assignment, removal from the classroom by the teacher, in-school suspension, short-term (five days or less) suspension from school, long-term (more than five days) suspension from school, or, in the most severe cases, permanent suspension from school. Under the law,

any student who brings a weapon to school is subject to suspension for at least one calendar year. Additionally, students who commit violent acts other than bringing a weapon to school will be subject to severe penalties.

Educational Rights-Privacy Act

With respect to education records, parents, pupils and graduates have the right under the provisions of the Family Educational Rights and Privacy Act and School District Policy to:

- Inspect and review
- Make copies (for a reasonable fee)
- Request amendment and corrections
- Limit the disclosure to others
- File a complaint with the Family Policy and Regulations Office in the United States Department of Education:

400 Maryland Avenue, SW
Washington, D.C. 20202-5920

For further information and a copy of the policy, please contact:

Office of Special Education
P.O. Box 210, Northport, NY 11768
631-262-6616

Sexual Harassment

The district is committed to providing an educational and working environment that promotes respect, dignity and equality and that is free from all forms of sexual harassment. To this end, the Board of Education condemns and strictly prohibits all forms of sexual harassment on school grounds, school buses and at all school-sponsored activities, programs and events including those that take place at locations outside the School District. Such harassment may be reported in person, by mail, by telephone, or by electronic mail using the contact information listed for the Title IX Coordinator and/or Compliance Officer, or by any other means that results in the Title IX Coordinator and/or Compliance Officer receiving the person’s verbal or written report. Such report may be made at any time (including during non-business hours) by using the telephone number or electronic mail address, or by mail to the office address, listed for the Title IX Coordinator or Compliance Officer. The School District will promptly investigate all complaints of sexual harassment, either formal or informal, verbal or written. To the extent possible, all complaints will be treated in a confidential manner.

The Board of Education has adopted a policy, Policy 0110, Sexual Harassment, in regard to this process. This policy is in accordance with legal reference: Education Amendments of 1972, Title IX, 20 U.S.C. §1681 et seq. Title VII of Civil Rights Act (1964), 42 U.S.C. §2000-e; 34 CFR §100 et seq.

Emergencies

In the event that a parent cannot be reached by the nurse when a child becomes ill, it is requested that each parent provide names, addresses and telephone numbers of at least two additional persons as emergency contacts. These individuals would be responsible for attending to the needs of the child if the parents cannot be reached. In addition, parents are requested to provide the name of a local doctor who serves as the child's physician so this information can be maintained in the school's health office.

Emergency Plans

Safety in our schools is everyone's concern; safety in our schools is also everyone's responsibility. The Board of Education has adopted a districtwide safety plan, and each school has developed its own safety plan. The plans were developed to establish appropriate responses to a wide variety of emergencies, from major storms to a drought. A copy of the district plan may be reviewed in the Office of the District Clerk.

Emergency Drills

According to New York State Education Law, schools must hold eight evacuation drills and four lockdown drills during each school year. Additionally they must hold one shelter-in-place drill and one early dismissal drill. Eight drills must be held between September 1 and December 1, with the remainder scheduled throughout the year. Evacuation drills are held in cooperation with the local fire department.

Emergency Closing of Schools

With the ParentSquare service, schools can send periodic and personalized voice messages to parents within minutes. The ParentSquare service will be used to complement our emergency preparedness procedures and to inform parents of upcoming school events.

The district will notify the following television and radio stations in the event of any emergency closings: WALK (97.5) AM/FM, WBLI (106.1), WBAB (102.3) and television channels 5, 7 and 12.

Delayed Opening of Schools

This procedure is implemented under very specific weather conditions. It allows District officials to coordinate transportation and/or snow removal efforts in order to take advantage of improving weather/road conditions. Announcements will be made on the same radio stations used for emergency closings. In the event of a delayed opening, school will start two (2) hours later.

Emergency Early Dismissal Procedures

In a situation in which weather conditions significantly worsen during the day or in other emergency situations, it may be necessary to dismiss students early. The procedure will be as follows:

1. A ParentSquare call may be made the night before to let you know that there is a strong possibility of an early release the next day due to weather concerns. This will be done so that you will be able to make child care arrangements ahead of time. Please remember to notify your school in writing should your dismissal arrangements need

to change for early release. Be sure to share those arrangements with your child before he or she leaves for school.

2. If the next day the weather forecast is correct, another ParentSquare call will be made informing parents of the time early dismissal will begin.
3. The schools will release in the following order:
 - Northport High School
 - The four elementary schools
 - The two middle schools

Bicycle Use

Students riding their bicycle on school property must comply with New York State Vehicle and Traffic Law 51238, which requires that children between the ages of 1 year and 14 years old must wear a safety helmet that meets ANSI 190.4 safety standards.

Accident Insurance

The district provides accident insurance for all public school students. The policy is nonduplicating; that is, any family policy would apply first and the district policy second. This limited accident insurance covers Board of Education-sponsored activities only. It does not cover accidents while walking to and from school or on the playground before, during or after school hours, when the pupil is there at a time other than teacher-supervised periods. The injury must be reported to the school nurse or the teacher in charge when it occurs. Parents should request a claim form from the health office no later than 30 days from the date of the injury.

Special Education

The Northport-East Northport UFSD Office of Special Education, in compliance with federal and state regulations, offers a continuum of specialized instruction and support services designed to provide an appropriate educational experience for students with disabilities. The department's mission is to ensure the right to a free and appropriate public education, in the least restrictive environment for all children found to have a disability. Recommendations for special education services are made by the Committee on Preschool Special Education or the Committee on Special Education for students who have been determined to be eligible under the Individuals with Disabilities Education Act (IDEA).

Consistent with Part 200 of the Commissioner's Regulations, please notify the Office of Special Education (631-262-6616) if you have a child, 3-21 years of age, with a disability who may require special education services.

Office of Special Education Contact Information:
Louis Bonadonna
Assistant Superintendent for Special Education and
Student Support Services
631-262-6611

Allyson Giaimo
Director of Secondary Special Education (7-12)
631-262-6622

Karrie Kruger
Director of Elementary Special Education (Pre-K-6)
631-262-6622

Please refer to New York State Education Department website for parent publications and resources:
<https://www.p12.nysed.gov/specialed/parentpubs.htm>

Committee on Preschool Special Education

The Regulations of the Commissioner of Education require that the local Board of Education appoint a local Committee on Preschool Special Education with the charge to ensure that necessary procedures for the identification, diagnosis, placement and annual review of the status and progress of every preschool-aged child in the district is carried out. Any child between the ages of 3 and 5 years old, residing in the district, and suspected of having a disability, can be referred to the CPSE. Upon approval, the CPSE will arrange for a comprehensive evaluation and appropriate services for children. Referrals can be made in writing to the Office of Special Education (631-262-6620).

Committee on Special Education

When a school-aged student is suspected of having a disability, a referral is made to the Committee on Special Education. A referral for an initial evaluation for special education services may be made by a parent or person in a parental relationship to the child; a designee of the school district; the commissioner or designee of a public agency with responsibility for the education of the student and/or a designee of an education program affiliated with a child care institution with Committee on Special Education responsibility pursuant to section 4002(3) of the Education Law. The Regulations of the Commissioner of Education require that the local Board of Education appoint a local Committee on Special Education with the charge to ensure that necessary procedures for the identification, diagnosis, placement and annual review of the status and progress of every school-aged child in the district is carried out. Referrals can be made in writing to the Office of Special Education (631-262-6616).

Requirements for the Provision of Special Education Services to Home-Schooled Students

Pursuant to Chapter 217 of the Laws of 2008, students with disabilities who are in home-schooled programs pursuant to Section 100.10 of the Regulations of the Commissioner of Education are eligible to receive special education services from their school district.

To receive special education services in the school year, a parent must submit a written request for such services to the Committee on Special Education of the school district of location by June 1 preceding the school year for which the request for services is made. However, for a student who is first identified as a student with a disability after the first day of June preceding the school year for which the request is made and prior to the first day of April of such current school year, the parent must submit the written request for services within 30 days after the student was first identified. A request may also be submitted within 30 days of a change in the student's school district of residence. Please visit the Office of Special Education webpage on the District's website for further information and forms.

Special Education Services for Parentally Placed Students

Pursuant to New York State Education Law, requests for special education services for students parentally placed in a nonpublic school must be submitted in writing to the Committee on Special Education no later than June 1 preceding the school year in which services are to be provided. However, for a student who is first identified as a student with a disability after the first day of June preceding the school year for which

the request is made and prior to the first day of April of such current school year, the parent must submit the written request for services within 30 days after the student was first identified. A request may also be submitted within 30 days of a change in the student's school district of residence. Please visit the Office of Special Education webpage on the District's website for further information and forms.

HEALTH INFORMATION

The Dignity for All Students Act

All public elementary and secondary school students have the right to attend school in a safe, welcoming, considerate and caring environment. New York State's Dignity for All Students Act seeks to provide the State's public school students with a safe and supportive environment free from discrimination, intimidation, taunting, harassment and bullying on school property, a school bus and/or at a school function. This legislation amended state education law by creating a new Article 2 – Dignity for All Students. The Dignity Act also amended Section 801-a of New York State Education Law regarding instruction in civility, citizenship and character education by expanding the concepts of tolerance, respect for others and dignity. The Dignity Act further amended Section 2801 of the education law by requiring Boards of Education to include language addressing the Dignity Act in their codes of conduct. Additionally, under the Dignity Act, schools will be responsible for collecting and reporting data regarding material incidents of discrimination and harassment.

Each school within the Northport-East Northport School District has Dignity Act Coordinators trained to address issues that arise regarding the Dignity for All Students Act. Please visit your school's website or call your school counselor for more details. To learn more about the Dignity for All Students Act, visit www.p12.nysed.gov/dignityact.

Physical Examinations

State Education Law requires that children have a physical examination, either by the family physician or by the school physician before the child's entrance to a new school and before entrance to grades K, 1, 3, 5, 7, 9 and 11. Students interested in participating in interscholastic sports must have a physical examination performed by the family physician or by the school physician. This examination must be done in advance of the beginning of the sport.

Medication in School

Any prescription or over-the-counter medication taken during the school day must be administered by the school nurse unless otherwise authorized by a physician. All medications to be administered in school must be accompanied by a completed form. This form, "Administration of Medication in the School Setting," is available on the district website or through your school nurse. All medications must be brought in by an adult. Please contact your school nurse for more information.

Child Protective Services

The New York State Office of Children and Family Services maintains a statewide central register of child abuse and maltreatment for reports made pursuant to the Social Services Law. If you suspect abuse or maltreatment, call our statewide toll-free telephone number: **1-800-342-3720**.

If you are deaf or hard of hearing, call TDD/TTY **1-800-638-5163**, or have your Video Relay System provider call **1-800-342-3720**.

If you believe that a child is in immediate danger, call 911 or your local police department.

Districtwide Health and Safety Committee

State law requires the district to have a Districtwide Health and Safety Committee to oversee the investigation of health and safety concerns, communicate with concerned staff and to initiate and support corrective and/or preventive action.

Committee membership includes staff and parents and has a representative from each level including elementary, middle school and high school. If you would like further information on the Districtwide Health and Safety Committee or would like to serve as a member of this committee, please call your building representative or PTA president for a list of committee members in your building. For meeting dates, please consult the school calendar.

Transportation

Bus service will be provided as follows:

Kindergarten: pupils residing 0.5 mile or greater from the school they attend.

Grades 1-4: pupils residing 0.75 mile or greater from the school they attend.

Grades 5-8: pupils residing 0.75 mile or greater from the school they attend.

Grades 9-12: pupils residing 1.0 miles or greater from the school they attend.

The above applies equally to parochial and public schools. Individual bus information for the public

schools, Trinity, The School House and St. Anthony's high schools will be mailed out by the district at the end of the summer. All other nonpublic school route information is given to the parents by the contractor transporting the child prior to the school year.

The district is proud of its bus safety record. It must be remembered, however, that bus safety depends greatly on the behavior of the students who ride the bus. Safety on the school bus is a matter of teamwork that requires the constant support and attention of the students, parents and the personnel of the schools. We ask that parents discuss the transportation rules with their children. Also note, parents/guardians are not permitted to board a bus for any reason.

Transportation Out of District

Pupils attending schools out of the district will be furnished transportation if the school is not more than 15 miles away. New York State law requires that parents who are planning to send children to private or parochial schools in September must file an application for transportation by April 1 with their local school district. Please schedule an appointment with Central Registration at (631)262-6660 to prove residency and submit an application. For additional information concerning transportation, please contact (631)262-6865. Registration and request for transportation forms are available at: <http://northport.k12.ny.us/district/transportation>.

Services to Nonpublic Schools

As required by New York State Law, the District provides the following services to students attending

nonpublic schools (subject to restrictions described in New York State statutes):

- Transportation
- Textbooks
- Health and psychological services

In addition to the above, the following services are also provided to district residents who attend non-public schools:

- AIS services if student qualifies for free/reduced-price lunch and Title 1.
- Tuition payments for vocational education through BOCES.
- Availability of the program for the gifted and talented and AIS Summer School if student meets entrance criteria.
- Computer technology on loan (subject to New York State limits).

Asbestos Management Plan

In accordance with 40 CFR 763.84.c, regard this statement as the district's annual notification to all workers, students and/or their legal guardians that the district continues to maintain its Asbestos Management Plan (AMP) which documents all performed or planned asbestos related inspections, response actions and post-response action activities, including periodic reinspection and surveillance activities within the school district. A copy of this AMP is available for your review and/or inspection at the District's Facilities Office and within the main office of each school building.

Board of Education

The Board of Education has seven members, each elected for a term of three years. Candidates for the Board must be qualified voters of the school district and be nominated by petition. Such petitions shall be directed to the clerk of the school district and shall be signed by at least 25 qualified voters or 2% of the number of voters who voted in the previous election, whichever is greater.

Board of Education Meetings

From September through June, regular meetings of the Board of Education are normally held on the first and third Thursday of each month at the William J. Brosnan School at 7 p.m. During July and August, regular meetings are scheduled as necessary for district affairs. Please check the website for specific dates and times.

<u>2024-2025</u> <u>Meeting Schedule</u>	
July 11, 2024	February 13, 2025
August 22, 2024	March 6, 2025
September 5, 2024	March 27, 2025
September 18, 2024	April 10, 2025
October 10, 2024	April 22, 2025
October 23, 2024	May 8, 2025
November 7, 2024	May 20, 2025*
November 21, 2024	June 5, 2025
December 12, 2024	June 18, 2025
January 9, 2025	July 10, 2025
January 23, 2025	August 21, 2025
*Annual Budget Vote and Trustee Election	

COMMUNITY SERVICES

Continuing Education/Recreation Programs

The Board of Education offers the community a wide variety of continuing education and recreational activities. Course catalogs describing the offerings are mailed to residents three times a year.

Fall Registration: By mail or email (community.services@northport.k12.ny.us) upon receipt of catalog. Classes begin in October.

Spring Registration: By mail or email (community.services@northport.k12.ny.us) upon receipt of catalog. Classes begin in February.

Summer Registration: Online only through Arbiter Sports. Classes begin in July.

Driver Education

In addition, a Driver Education program is offered three times a year. Classes take place in the fall, spring and summer. Admittance to the program each session is strictly by birth date order. The older a student is, the better chance he or she has of getting in the program. The fee for the course is dependent upon the results of yearly competitive bidding. Awards are approved by the Board of Education.

Northport-East Northport Public Library

Northport Branch 151 Laurel Avenue
Northport, NY 11768
(631) 261-6930

East Northport Branch 185 Larkfield Road
East Northport, NY 11731
(631) 261-2313

The Northport-East Northport Public Library is separately chartered by the New York State Department of Education to serve all the residents of the district. It is governed by a five-member board of trustees, which meets monthly. The Library provides valuable resources, which include books, periodicals, videos, CDs, audio books and software. Residents of all ages are encouraged to take advantage of the library's many services: public computers and computer workshops, reference and information service, children's storytimes and reading clubs, parenting programs, cultural and educational programs, bus trips, Prime Time services for seniors, exhibits and displays, free internet access, meeting rooms and tutorial rooms.

Child Care Program

SCOPE, in cooperation with our school district, is pleased to provide a financially self-supporting school-age child care program for children in grades K-5. The program is licensed by the New York State

Department of Social Services, and offers a safe, fun, caring environment where children may participate in a variety of age-appropriate recreational and quiet activities, including arts and crafts, special events, storytime, daily snack and games.

Before School: 7 a.m. until school begins
(Pending sufficient enrollment)

After School: Dismissal until 6 p.m.

For additional information, call SCOPE at (631) 360-0800.

Community Use of School Facilities

Schools, grounds and other school property will be available for community use whenever not in use by school and/or Continuing Education and Recreation students. Application forms for use of school facilities can be obtained in each school.

Community Drug and Alcohol Task Force

The goal of the task force is to work toward the ultimate elimination of illegal use of alcohol, drugs and other controlled substances which pose a threat to the health and welfare of our students and staff. The task force shall recommend such additional support which will enhance efforts toward a drug- and alcohol-free school environment.

Northport-East Northport Union Free School District

When in Doubt...Please Check It Out

The district has established procedures to respond effectively to questions and suggestions from parents and residents. The procedures start with the person closest to the situation, as it is that person who will have the most information. Because situations sometimes require that additional staff become involved in the conversations, we have tried to categorize here the major areas of interest, with a list for each area of those responsible. If you have questions pertaining to the school district or your child's progress, please do not hesitate to call. We encourage any and all questions from parents and residents concerning school matters.

Classroom Issues Involving an Individual Child

(classroom procedures, classroom behavior, grades, etc.)

For Grades K-5:

- Step 1 – Classroom teacher; if not resolved ...
- Step 2 – Building Principal; if not resolved ...
- Step 3 – Dr. Dave Moyer, Superintendent of Schools

- Step 1 – Classroom teacher; if not resolved ...
- Step 2 – Guidance counselor; if not resolved ...
- Step 3 – Subject area chairperson; if not resolved ...
- Step 4 – Building Principal; if not resolved ...
- Step 5 – Dr. Dana Boshnack, Assistant Superintendent for Teaching and Learning; if not resolved ...
- Step 6 – Dr. Dave Moyer, Superintendent of Schools

Curriculum Questions

(subject matter being taught, textbooks and materials used, etc.)

For Grades K-5:

- Step 1 – Classroom teacher; if not resolved ...
- Step 2 – Building Principal; if not resolved ...
- Step 3 – Dr. Dana Boshnack, Assistant Superintendent for Teaching and Learning; if not resolved ...
- Step 4 – Dr. Dave Moyer, Superintendent of Schools

For Grades 6-12:

- Step 1 – Classroom teacher; if not resolved ...
- Step 2 – Subject area chairperson; if not resolved ...
- Step 3 – Building Principal; if not resolved ...
- Step 4 – Dr. Dana Boshnack, Assistant Superintendent for Teaching and Learning; if not resolved ...
- Step 5 – Dr. Dave Moyer, Superintendent of Schools

Health and Safety Concerns

- Step 1 – Building Principal; if not resolved ...
- Step 2 – Robert J. Howard, Assistant Superintendent for Business; if not resolved ...
- Step 3 – Dr. Dave Moyer, Superintendent of Schools

Medical Concerns, K-12

- Step 1 – School nurse; if not resolved ...
- Step 2 – Building Principal; if not resolved ...
- Step 3 – Shannon Dantuono, Director of Student Support Services; if not resolved...
- Step 4 – Dr. Dave Moyer, Superintendent of Schools

Transportation Concerns

(pickup, route problems, etc.)

- Step 1 – Patricia McGrane, Transportation; if not resolved ...
- Step 2 – Robert J. Howard, Assistant Superintendent for Business; if not resolved ...
- Step 3 – Dr. Dave Moyer, Superintendent of Schools

Other Transportation Concerns

(behavior on school bus, etc.)

- Step 1 – Bus driver; if not resolved ...
- Step 2 – Building Principal; if not resolved ...
- Step 3 – Robert J. Howard, Assistant Superintendent for Business; if not resolved ...
- Step 4 – Dr. Dave Moyer, Superintendent of Schools

Special Education Concerns/Special Needs, Pre-K-12

- Step 1 – Special education teacher/school psychologist; if not resolved ...
- Step 2 – Building Principal; if not resolved ...
- Step 3 – Pre-K-6 concerns: Karrie Kruger, Director of Elementary Special Education; 7-12 concerns: Allyson Giaimo, Director of Special Secondary Education; if not resolved ...
- Step 4 – Louis Bonadonna, Assistant Superintendent for Special Education and Student Support Services; if not resolved ...
- Step 5 – Dr. Dave Moyer, Superintendent of Schools

Gifted and Talented Selection

- Step 1 – Sean Hurley, Gifted Education Chairperson; if not resolved ...
- Step 2 – Dr. Dana Boshnack, Assistant Superintendent for Teaching and Learning; if not resolved ...
- Step 3 – Dr. Dave Moyer, Superintendent of Schools

Athletic Concerns

- Step 1 – Coach; if not resolved ...
- Step 2 – Mark Dantuono, Director of Athletics; if not resolved ...
- Step 3 – Building Principal; if not resolved ...
- Step 4 – Dr. Dave Moyer, Superintendent of Schools

Other After-School Activities

- Step 1 – Activity adviser; if not resolved ...
- Step 2 – Building Principal; if not resolved ...
- Step 3 – Louis Bonadonna, Assistant Superintendent for Special Education and Student Support Services; if not resolved...
- Step 4 – Dr. Dave Moyer, Superintendent of Schools

Budget Concerns/Questions

- Step 1 – Robert J. Howard, Assistant Superintendent for Business; if not resolved ...
- Step 2 – Dr. Dave Moyer, Superintendent of Schools

Building Usage

- Step 1 – Building Principal for use of William J. Brosnan Building – Mary Mathers, Community Services Office; if not resolved...
- Step 2 – John Lackner, Superintendent of Buildings and Grounds; if not resolved ...
- Step 3 – Robert J. Howard, Assistant Superintendent for Business; if not resolved ...
- Step 4 – Dr. Dave Moyer, Superintendent of Schools

If a matter remains unresolved after the above steps have been followed, an appeal can be sought at the level of the Board of Education. The primary responsibility of the Board is to set policy for the school district. The Superintendent and staff are legally empowered to administer the school district and to put into operation the policies and decisions of the Board of Education.
