Re: **Scholarship**  
Date: 2 April 2024

The Eastern Shore of Virginia Chapter of the National Society Daughters of the American Revolution wishes to award a **\$1000 scholarship** to a 2024 graduating Accomack County high school senior who is planning to attend college. The main interest of this student should be in American History or in Political Science. A "B" average throughout the senior year as well as recommendations from the guidance counselor, the principal, teachers, and others will be required.

The Chapter is offering this scholarship in the hope that it will encourage a deserving student to pursue his or her study of American History or Political Science, leading him or her into a career which will satisfy his or her ambition and will give our country a capable and patriotic historian or diplomat.

The Chapter wants to continue our tradition of offering this opportunity to students residing in Accomack County. We want to inspire the youth of today to aspire to be the leaders of tomorrow. We want to instill in them the patriotism and the motivation to serve the nation that gave them the freedom to pursue their hopes and dreams.

We are asking each high school to select no more than five deserving students to apply. Please duplicate this letter and the 3 page application as needed, have the students complete it, and submit it by the deadline. In order to be considered for the scholarship, we must receive all parts (the application, the essay, the guidance counselor sheet, and other required letters of recommendation) **no later than Friday, May 3, 2024.**

**Send all submissions to the following:**
