

Cassville Schools First Grade Learning Menu for Reading, Writing, and Math
Week of April 20-24, 2020

Main Dishes (Pick 2 from each)		
Reading	Writing	Math
<ul style="list-style-type: none">• Read a book in the dark with a flashlight.• Read a book to someone on the phone..• Read a book backwards.• Read a book in a robot voice.	<ul style="list-style-type: none">• Go outside at night and look at the sky. Write about what you see.• Pretend to be an astronaut in space. Write about what it would be like or what you would see.• Using the letters in ASTRONAUT make as many words as you can.• Make a list of things you would need if you were going into space and why you would need them.	<ul style="list-style-type: none">• Flip 3- Lay cards out like memory. (Ace is a one. Remove other face cards.) Flip over 3 cards each turn. See if the cards make an addition or subtraction equation. If they do, keep those cards.• Measure items in your house using your hands or feet as units.• Write the time after you complete 3 different activities.• Complete the math packet pages.

S.T.E.M. Side Dishes (Pick 2)	Dessert (Pick 2)
<p>Makerspace: Stem activities you can do at home</p> <ul style="list-style-type: none">• Use toilet paper rolls or paper towel rolls to build a telescope.• Use materials from your home to create a rocketship.• Create a paper airplane or rocketship. Make it fly. Measure how many steps it traveled.• Make a UFO using items such as paper plates, aluminum foil, etc.	<p>https://jr.brainpop.com/science/space/</p> <p>www.gonoodle.com</p> <p>https://www.si.edu/kids</p> <p>www.splashlearn.com</p>

Choose 3 activities of your choice and complete.

Art, Music, PE and Library teachers will provide a range of activities that continue to support the current program

ART

Animal Safari! This week we are going on an animal hunt!

1. **They could paint a rock with the face of their favorite animal.**
2. **Make a puppet with a bag or a paper plate with an amazing animal.**
3. **Go on a walk and draw an animal you saw.**
4. **You could get creative and make a new animal by combining a couple.**

Music

Google Classroom Code: dyoqowe

Compose a short song (4-lines) about how you're feeling about our Non-Traditional Instruction days.

Spend a few minutes playing any instrument you have at home. If you don't have any, turn something into a drum!

P.E

Warm-up: Cassville Wildcat Stretches and hop one time around the house

Work on hopping with feet together (hop side to side)
(Hope front to back)
(hop over pillows or lines)

Play game of hopscotch with your family

Technology

Complete games on [Keyboarding Without Tears](#).

To sign in, choose Student Login.

The Educator Pin is 3FC777.

Then, you'll log in just like we do in class.

Play "[Jet Ski Addition](#)". Follow the directions to set up your race.

Library

Share with someone at home how to properly take care of a book. Make a video if you can and send it to Mrs. Essary sessary@cassville.k12.mo.us

Speech & Language

What does your first name begin with? Come up with 5 things that start with that same letter. If you can, write a sentence/draw a picture using the words. Do this for your middle and last name as well.

Flex Learning Activities

- Put on a helmet and grab your rocket ship or airplane. How many times can you orbit your house in 2 minutes?
- Experiment with gravity. Stand on a chair. Drop several items. Which one landed first?
- You're an astronaut in training. Help mom or dad make a healthy meal or snack.
- Go outside and pick up rocks. Pretend they are moon rocks. Look for interesting characteristics.
