

MEET YOUR Teacher

Hello Families,

My name is Tami Harris. Teaching and caring for children is my passion! I have over 30 years of experience in the field, working with children from preschool through fourth grade over the years. I also bring with me a background in special education. I am thrilled and honored to be teaching first grade at New Boston Central School, it is truly a "Special Place to Learn and Grow".

I live in Goffstown with my husband, Brian, my dog, Jeff a very big cat, Apollo and my daughter's horse, Artemis. I have two daughters; Miss Emily, a Preschool Teacher/horse girl and Molly, a Nurse/avid hiker.

I love animals and outdoor activities! I have a great appreciation for nature, yoga, health & wellness and most creative outlets. That said, coffee & ice-cream make my favorites list!

Being in the classroom with children is my happy place! I love teaching! I believe in a whole child approach, fostering independence, peer relationships and a love for learning while building self esteem through creativity and a variety of learning experiences. It is magical watching children learn and grow through the years!

I'm looking forward to an amazing year of learning adventures with your child!
