

1st Grade School Supply List

We are very excited to see you in first grade! We are going to have so much fun and learn many new things. Here is a list of materials you will need for the first day of school.

- **wide ruled lined** composition notebook (not spiral - the pages rip)
- **plastic pocket folder** (the paper ones rip easily)
- **soft zippered pencil pouch** (hard plastic ones break and spill)
- **box of 16-24 count crayons** Any bigger will not fit in the pouch and we have extra crayons in the classroom.
- **two boxes of tissues**
- **three glue sticks**
- **2 boxes of pencils - TICONDEROGA is best.** Other brands don't sharpen well and break easily
- **headphones - No earbuds.** Please send in over ear headphones with a 3.5 mm plug
- **wipes**

***Students may bring in a reusable water bottle to refill throughout the day. Please send in the type with a straw or spout top to cut down on spills. Disposable plastic water bottles spill and are not able to be refilled at the water stations.**
