

Name: _____

Food Truck 101

Use the article linked in slide TWO to respond to these questions.

Something I learned from the cost section was _____

According to the article, what are five things you need to take into account when considering a food truck business?

1. _____

2. _____

3. _____

4. _____

5. _____

For you, which advantage of buying a new food truck makes the most sense?

For you, which disadvantage of buying a new food truck makes the most sense?

For you, which advantage of buying a used food truck makes the most sense?

For you, which disadvantage of buying a used food truck makes the most sense?

For you, which advantage of leasing a food truck makes the most sense?

For you, which disadvantage of leasing a food truck makes the most sense?

Based on both of those lists (new and used), which do you think would be a better investment for you? Circle one→ Buying New Buying Used Leasing

Why did you choose that one? _____

There are many resources on this website. Click around and find helpful information as you start the process of owning a food truck business. Think of your future self. The more you click around and read, the more you will learn and the easier this project will be for you in the long run.

5 things I found that I should consider when starting a food truck business are

1. _____

What I clicked on to find that information (in case I have to refer to it in the future

2. _____

What I clicked on to find that information (in case I have to refer to it in the future

3. _____

What I clicked on to find that information (in case I have to refer to it in the future

4. _____

What I clicked on to find that information (in case I have to refer to it in the future

5. _____

What I clicked on to find that information (in case I have to refer to it in the future

Use the article on slide THREE to respond to these questions.

For each of the 10 Tips, write the tip and one thing you learned from it that you feel best sums up the tip AND will be most helpful to your future entrepreneurial self, who will be owning a food truck business.

Tip 1: _____

What I learned that best summarizes the tip and will be most helpful to my future self:

Tip 2: _____

What I learned that best summarizes the tip and will be most helpful to my future self:

Tip 3: _____

What I learned that best summarizes the tip and will be most helpful to my future self:

Tip 4: _____

What I learned that best summarizes the tip and will be most helpful to my future self:

Tip 5: _____

What I learned that best summarizes the tip and will be most helpful to my future self:

Tip 6: _____

What I learned that best summarizes the tip and will be most helpful to my future self:

Tip 8: _____

What I learned that best summarizes the tip and will be most helpful to my future self:

Tip 9: _____

What I learned that best summarizes the tip and will be most helpful to my future self:

Tip 10: _____

What I learned that best summarizes the tip and will be most helpful to my future self:

Rank your Top 5 Tips after reading the article. #1 should be the MOST important for you to pay attention to for this project.

My #1: _____

My #2: _____

My #3: _____

My #4: _____

My #5: _____

**Everyone must
share at least
one of your
answers for the
articles.**

**Make sure you
know which
one(s) you will
share.**
