WHAT YOU NEED TO KNOW TO REGISTER CORRECTLY

GRADUATION REQUIREMENTS VS. SUGGESTED COLLEGE PREP

Graduation Requirements

- 22 credits required to graduate
 - 4 English
 - 3 Social Studies
 - 3 Math
 - 3 Science
 - .5 PE
 - .5 Health
 - 3 World Language, Fine Arts, Career or Technical Ed
 - 5 Electives

General College Prep Info

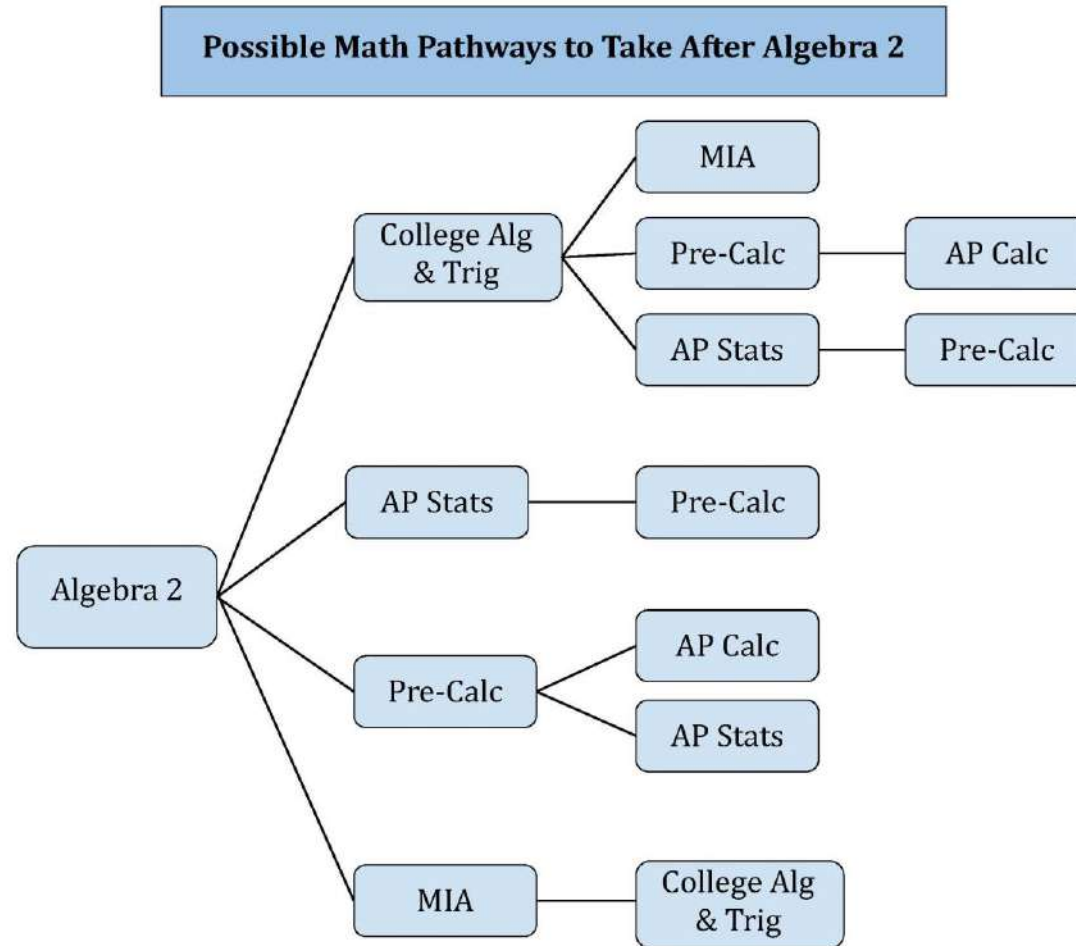

- 4-year college admission guidelines are not the same as high school diploma requirements. Know the difference between what is needed for your college of choice and what is needed for a Fargo Public Schools diploma.
- In ND, UND and NDSU list coursework admission requirements as:
 - 4 English
 - 3 Math – Algebra I and above
 - 3 Lab Science
 - 3 Social Science
 - 1 additional unit from any above cores or world language

****Know the requirements for the colleges you wish to pursue. Highly competitive schools require additional courses. Pay close attention to fine arts and world language requirements.**

- A minimum of 6 credits is required for the year. The maximum allotted within the school day is 8.
- If you're considering a class that requires travel, remember to account for that in your total credit planning.
 - Shuttle runs between North, South and Davies
 - You are responsible for your own transportation if taking a class outside of Fargo Public through the CCCTC.
- Build a schedule with appropriate rigor. How busy are you outside of the 8:50-3:50 school day? Do you have some classes in your schedule you take for fun? How will you plan to regroup each day?
 - When it comes to time, it does not matter how smart or organized you are. There are only 24 hours in the day for each of us.

THINGS TO
KEEP IN MIND
WHEN
CHOOSING
APPROPRIATE
CLASSES

MATH PATHWAY OPTIONS TO CONSIDER

Not sure what to do? Ask your math teacher - they know you best!

A NOTE FROM THE SCIENCE DEPARTMENT

- Most students will take Chemistry in 11th grade. Students interested in entering a **science related career path & who have completed Geometry** could consider doubling up their sciences and take both Chemistry & 1 AP/dual credit science class next year if they are wanting more science courses.

IF REGISTERING FOR A MUSIC CLASS

Band:

- Everyone interested in band should register for band 2. The band teacher will review registrations, and if deemed appropriate, will move you to band 3.
- Everyone interested in jazz signs up for jazz 1. Again, after review, the teacher will move you to jazz 2 or 3 if appropriate.
- To participate in jazz, you must also register for band.

Choir:

- Choir placements are based on grade level and experience. Please review the registration card to determine which one is appropriate for you.
- You must audition to participate in select choral ensemble, and you must also register for choir.

Orchestra:

- Everyone interested in orchestra should sign up for orchestra 2. The orchestra teacher will review registrations, and if deemed appropriate, will move you to orchestra 3.
- You must audition to participate in chamber orchestra, and you must also register for orchestra.

IS AN AP OR DUAL CREDIT CLASS RIGHT FOR ME – THINGS TO CONSIDER

Am I ready for college level material and expectations?

If I decide to take an AP class, how many do I take?

How do I decide which one to take?

- Interest areas?
- Where am I likely to be most successful?
- Is a specific class more appropriate based on my post-secondary plans?

Not everyone takes an AP or dual credit class. If it's not appropriate for you at this time, we would encourage you to wait and reevaluate as you register for your senior year. Students take these types of courses for various reasons, i.e. increased rigor, competitive college plans, some scholarship requirements, etc. It's also important to create the schedule that will help you be the most successful you can be at this given moment.

NDSCS DUAL CREDIT MATH REQUIREMENT

3.0 GPA

ACT math score of 21

Without an ACT math score of 21 or above, or if you have not yet taken the ACT, you must take the ACCUPLACER and score a 255 or above.

We will offer an initial ACCUPLACER at Davies in the spring. If you do not obtain the score you need, you will have to contact the NDSCS Fargo Branch to make arrangements to retake the test.

IF CONSIDERING COLLEGE ATHLETICS:

If you are planning college athletics, **it is your responsibility** to make sure you are meeting the course/GPA/ACT/etc. requirements for NCAA/NAIA. These are not the same as high school diploma requirements.

- NCAA

- NAIA

IF YOU ARE PLANNING ON SUMMER SCHOOL

- Session 1 and Session 2
 - Session 1 is June 10- July 2
 - Session 2 is July 7-29
- Session 1 corresponds with semester 1 content and session 2 to semester 2.
- PE runs both semesters
- Registration - www.fargosummerschool.com

It is your responsibility to register for summer school at fargosummerschool.com. If you register for summer school and your plans change it is your responsibility to contact the summer school office and have yourself removed from the class. You must also contact your school counselor if the class needs to be added to your school-year schedule.

- Registration card and Program of Studies – narrow down your choices
- Teachers – they know your past work history in their content area, academic strengths and weaknesses, rigor of class you may be inquiring about, etc.
- Parents – they know your at-home study habits, all of your additional involvements (extra-curricular and co-curricular activities, outside lessons or committees, etc.), how much sleep/down time you need, your general stress level, etc.
- Counselors – you will be invited to meet with your counselor for an opportunity one-to-one to review graduation requirements, discuss appropriate classes, etc.
 - **Walk-in registration questions with counselors will be available Thursday, January 23rd, 8:30-3:30. No appointment needed.**

Make sure when visiting with the adults in your world, parents/teachers/counselors/etc., that you share the whole story with your inquiry.

For example, rather than asking if AP English is a good idea for you and leaving it at that, share the entire scenario. Such as, would you advise AP English in addition to AP Biology, dual credit college algebra, and AP US history, in addition to my activities which include 2 varsity sports, DECA and orchestra. The latter is a much better picture for the adults to have when offering suggestions and ideas to students.

RESOURCES AVAILABLE TO HELP WITH CLASS SELECTION

- Zero idea what it looks like moving forward, but it will look different.
- Choose wisely!

SCHEDULE CHANGES GOING FORWARD....

COUNTING YOUR CREDITS AND PLANNING AHEAD

WE WILL DISCUSS 4-
YEAR PLANS MORE IN
YOUR SOPHOMORE
CONFERENCE THIS
SPRING

The back of your registration card will help you with both of these tasks.

Write in what you've completed to know that you're on track to graduate.

What do your remaining years at Davies look like? Write in what courses you are planning to take.

Have you thought about your plan after graduation from Davies?

TO SEE YOUR TRANSCRIPT:

- Click on the box with the arrow shooting out of it in the top right corner
- Choose the ND Education Portal link
- Choose the tab with your name
- Choose the view transcript tab

INPUTTING YOUR COURSE REQUESTS

1. Log into **Power School**.
2. Choose the icon **Class Registration** (picture of chair and pencil - about halfway down the left-hand side).
3. You will see a pencil icon to the far right of each content area (English, Math, Science, etc.).
4. For your core classes, **click on the pencil icon** to get a drop-down box showing your choices (e.g. English 1, English 2, Honors English 2, etc.). **Click on your choice and then click “okay”**. (If you are doubling up in science courses you would register for one course in the science section and the other in the elective section.) **Complete this process for both semester 1 and semester 2 of yearlong courses** (sometimes they are on different pages).
5. Proceed down the page through core courses until you reach the pencil to show elective options. In this section, you may choose all your electives at once, or move in and out by pressing on the pencil each time. **Be sure you choose both semesters if you are picking a year-long class**. If you are unsure if it is a yearlong class, please refer to your registration sheet.
6. Once you have chosen all classes, please **hit the submit button**.
7. **Review your choices**. If you notice any errors, you may re-enter a section by clicking on the pencil icon.

Things to double check:

Have you registered for both semesters of yearlong courses?

Will you have completed all necessary prerequisites for the courses you chose?

If the class you're trying to register for does not appear on the screen, please see your counselor.
