We recommend communicating with your child's teachers when selecting courses for the next school year. Consider courses that will provide your child a *challenging but successful* educational experience. Students who score at Levels I, II or III on EOC test(s) may be subject to administrative schedule changes for academic reasons. **All course offerings on this card are tentative.**

*We have carefully considered the above course selections. We understand that courses chosen require a year commitment and **may not be dropped**.*
